REBATE APPLICATION DETAILS

Please review the rebate application for additional requirements and full terms and conditions.

Rebates are available for purchases made during the offer period or until program funds are exhausted, whichever occurs first. Due to limited funding, please submit your application promptly after purchase and installation.

Equipment must be installed before submitting a rebate application. Rebate applications will be processed on a first come, first-served basis and must be postmarked or submitted online to be eligible for the rebate.

**Program participation dates are subject to funding availability and may change without notice. Program and submission deadline dates will be updated on swgas.com/cabusrebate.*
